HUMAN RESOURCES FOR UNIVERSAL HEALTH

HUMAN RESOURCES FOR HEALTH— WHO ARE THEY?

They are all the people, in different professions and occupations, who are trained and work to improve the health of the population. They include paid workers and volunteers in both the public and private sectors.

WHAT IS THE OBJECTIVE OF PAHO'S STRATEGY ON HUMAN **RESOURCES FOR UNIVERSAL ACCESS TO HEALTH AND UNIVERSAL HEALTH COVERAGE?**

This strategy guides the design of national policies on human resources for health, taking into account that the availability, accessibility, relevance, and competencies of health workers are key to achieving universal health and the objectives of the 2030 Agenda for Sustainable Development.
