State of the World's Nursing Report & Jhpiego's Role

By Jennifer Breads, MSN, MPH, RN

30 August 2019
NHTA Workshop

Johns Hopkins University Affiliate

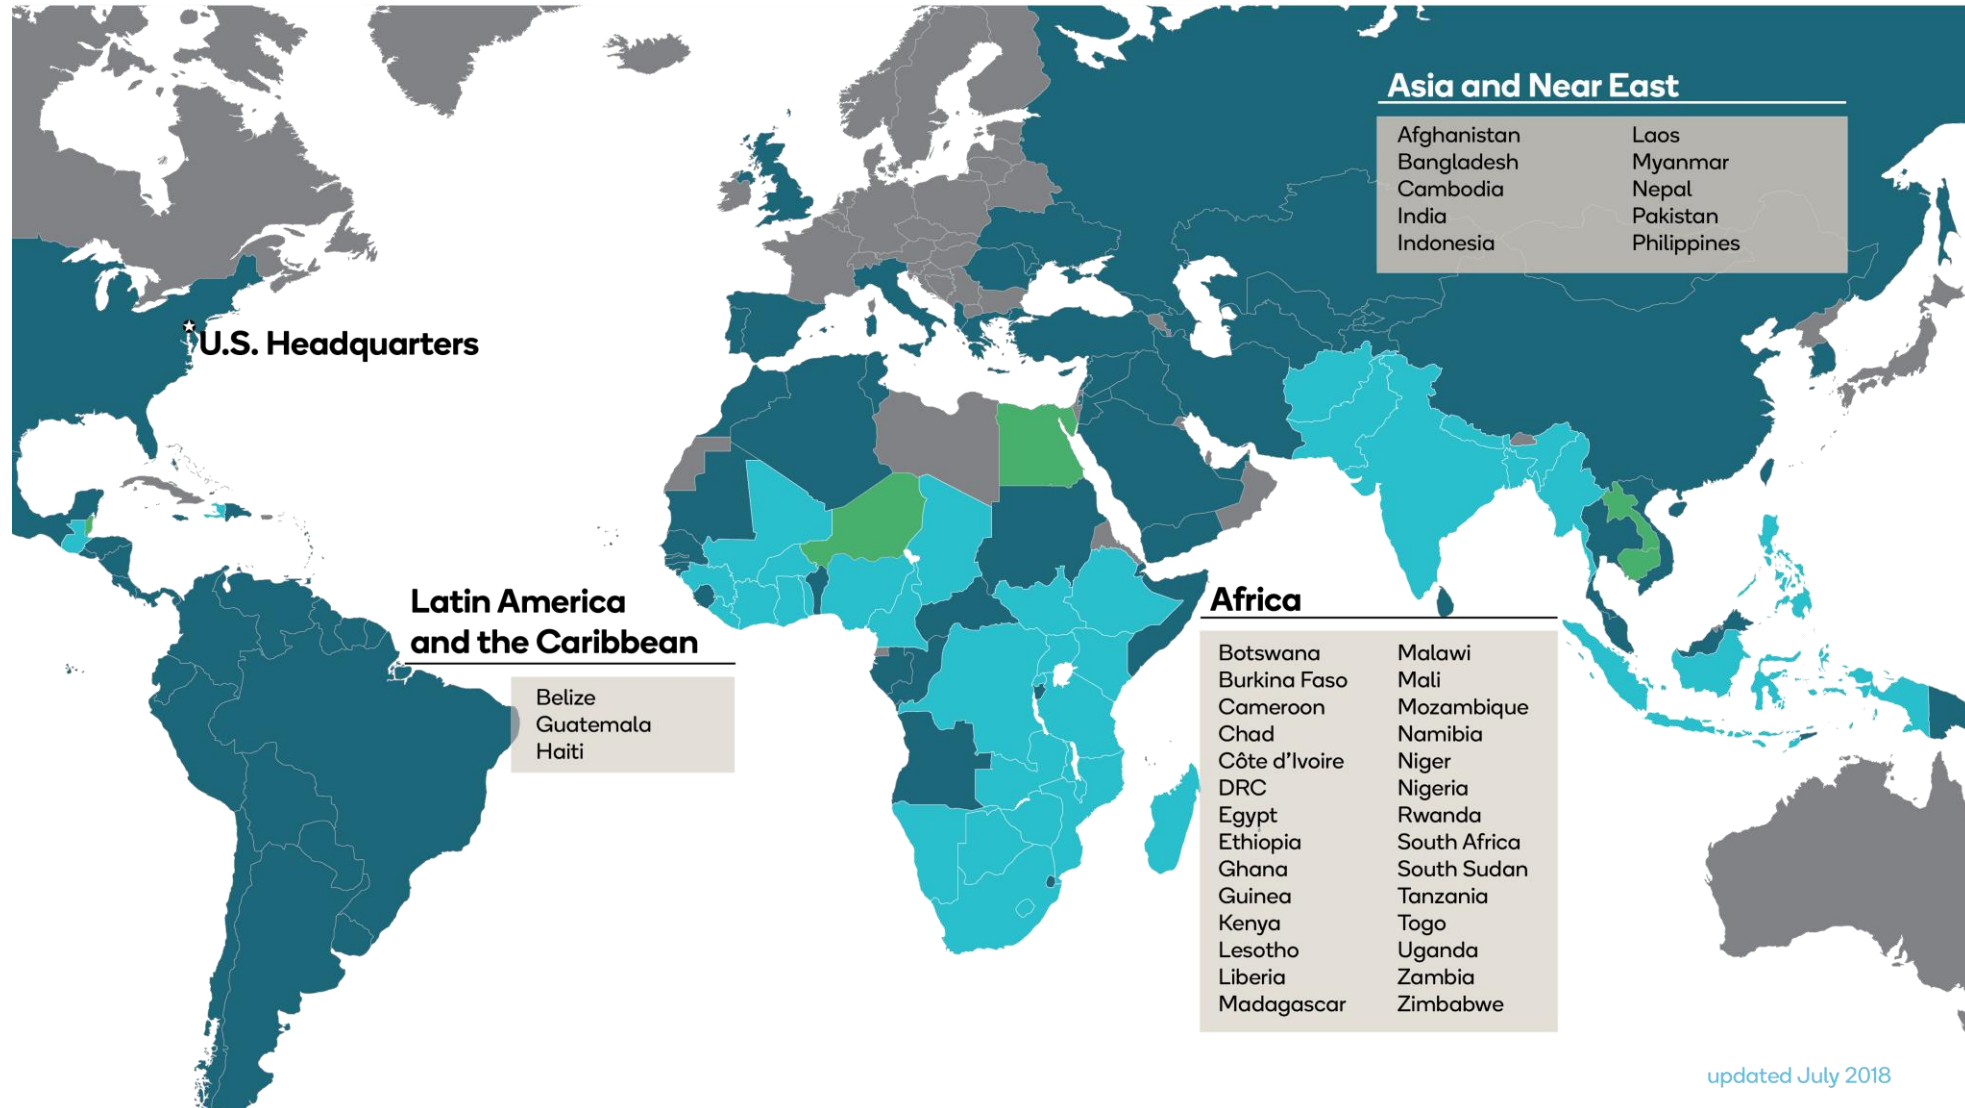

Our mission.

Saving lives.

Improving health.

Transforming
futures.

4,000 staff (including 1,000+ nurses and midwives)
147 projects in 40-50 country offices

Jhpiego's role in SOWN—collaborative with WHO

- Formal Member of SOWN Steering Committee
- Named WHO SOWN Contractor June 2019
 - › Supporting Data Reporting and Validation in all 6 WHO Regions (194 Countries)
 - › Conduct Global, Regional, Sub-Regional and National Analyses
 - › Formulate 80 Page SOWN Report

Flexibility to country needs and operating through existing WHO data reporting structures and processes is essential for success!
